

Launch Date: **1st Apr 2023**

Speed of Cut

■ Powerful SAG

- Fastest cutting cordless Grinder on the Market
- Similar performance to a 800W corded unit

■ Health & Safety

- Anti kickback protection
- Overload protection
- Line-Lock-Out with Softstart
- AVS Side Handle

Health & Safety

■ Fixtec

- New embedded Fixtec system → no Fixtec nut needed
- Tool-free disc change

■ Compact design

- Shorter and lighter compared to FUEL SAG

■ Cutting Guard Clip

- Can be directly connected on the grinding guard → One guard for both application

**Available as Paddle Switch
& Slide Switch**

Fixtec

Milwaukee® M18 Brushless SDS-Plus 26mm D-Handle Hammer

M18 BLHACD26

Launch Date: 1st May 2023

Fastest Drilling

- **Brushless POWERSTATE™ Motor**
 - 2x Longer Motor Life
 - Up to 25% more Power

Best User Experience

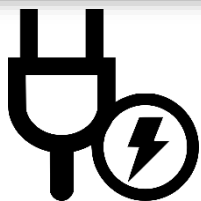

- **BEST USER EXPERIENCE**
 - **4 MODE OPERATION:** rotary hammer, hammer only, rotation only, and variolock for maximum versatility
 - **D-Handle DESIGN:** ergonomic design for increased end-user comfort
- **ALL DAY RUNTIME**
 - Up to 25 (ø12 mm x 100 mm) holes per charge
 - 2 Batteries 5 Ah = Full Day of Work

All day runtime

Launch Date: 1st Apr 2023

Corded Performance

Breakthrough Performance

- Outperforms competitive 12V planers
- Exceeds performance expectations in the most common user applications up to 23m scribed in Pine
- Power to complete more demanding, fringe applications. Maintains 2 x the cut speed than the Bosch GH012

Ergonomics

Compact and Ergonomic

- More compact than 18V and corded planers for ease of use
- Lightweight for one-handed accessibility with a 51mm cutting width
- Closer to work surface for better control and quality finish
- Comfortable to use in a variety of orientations
- Smaller shoe width allows for balanced, controllable cuts
- Optimized shoe size for most common material widths
- Two blades mounted on the block vs one allows for a better finish at higher cut speeds

Compact Size

Improved Chip Ejection and Collection

- Superior chip ejection in most common cutting depths
- Dust bag and vacuum attachment capable to keep spaces clean compatible with DEK26
- Dual-sided dust port for improved user experience
