

# DURA-INK®

## DUAL TIP

Dual-sided industrial ink marker provides the convenience and value of two markers in one.

Experience the versatility of Dura-Ink® Dual Tip permanent ink markers and conveniently create both fine and micro-sized marks with one marker instead of two. Versatile, two tip design can tackle jobs both big and small, and the industrial-strength ink writes on most any surface - allowing for faster, more efficient marking in a variety of applications.

### FEATURES

- Save time and money by replacing two markers with one that can switch tip sizes to create both fine and micro-sized marks
- Versatile dual tip design is excellent for broad writing on large spaces and ultra-fine precision marking on small surfaces
- Industrial-strength permanent ink dries quickly and is wear and weather-resistant for longer lasting marks
- Built-in clip-caps snap into each other, preventing lost caps and marker from rolling off work surfaces
- Durable plastic barrel reduces breakage on the jobsite or in-plant
- Xylene-free ink for a safer marking tool
